SUPPLEMENTAL INFORMATION: The Commission voted to institute Inv. No. 337-TA-455 on April 3, 2001, on the basis of a complaint filed by Proxim, Inc. 66 *Fed Reg.* 18,507 (April 9, 2001). The complaint alleged that certain respondents had violated section 337 of the Tariff Act of 1930 by the unlawful importation into the United States, the sale for importation, and/or the sale within the United States after importation of certain network interface cards for use in direct sequence spread spectrum wireless local area networks and products containing same by reason of infringement of certain claims of U.S. Patent No. 5,077,753, U.S. Patent No. 5,809,060, and U.S. Patent No. 6,075,812.

The Commission voted to institute Inv. No. 337-TA-481 on October 10, 2002, on the basis of a complaint filed by Genesis Microchip, Inc. 67 *Fed. Reg.* 64,411 (Oct 18, 2002). The complaint alleged that certain respondents had violated section 337 by the unlawful importation into the United States, the sale for importation, and/or the sale within the United States after importation of certain display controllers with upscaling functionality and products containing same by reason of infringement of certain claims of U.S. Patent No. 5,739,867.

Inv. No. 337-TA-455 was assigned to Judge Delbert R. Terrill, Jr., and Inv. No. 337-TA-481 was assigned to Judge Charles E. Bullock. In a notice dated February 12, 2003, Judge Terrill recused himself from Inv. No. 337-TA-455. In view of this recusal, the Commission determined to reassign Inv. No. 337-TA-455 to Judge Bullock and Inv. No. 337-TA-481 to Judge Terrill.

The authority for the Commission's determination is contained in section 337 of the Tariff Act of 1930 (19 U.S.C. § 1337), and in section 210.3 of the Commission's Rules of Practice and Procedure (19 C.F.R. § 210.3).

By order of the Commission.

Secretary to the Commission
